We, the undersigned qualified electors of the City of Laurel, Montana, respectfully petition that an election be held as provided by law on the question of whether **Dave Waggoner**, holding the office of **Mayor of Laurel, Montana**, should be recalled for the following reasons:

(b) Offered unauthorized annexation commitments outside city limits without City Council approval. (c) Produced materially incomplete public records in response to a lawful records request, contradicted by separately obtained communications. (d) Misrepresented records compliance to City Council; demanded the City Attorney's resignation when she corrected the record.

**Violation of Oath of Office** (MCA 2-16-603): (a) Concealed information about the proposed forensic mental health facility near West Elementary School from residents and City Council, denying their right to public input. (b) Committed the City to an annexation agreement without City Council authorization.

**Incompetence** (MCA 2-16-603): (a) Failed to follow required procedures for a proposal of this scope. (b) Maligned a City employee based on name, race, and immigration status at a public meeting. (c) Used profane and demeaning language toward the City Court Judge in a public setting, witnessed by City staff.

**Physical Lack of Fitness** (MCA 2-16-603): Has been unable to perform mayoral duties and has not requested a leave of absence per City Charter Section 3.08.

**CERTIFICATION BY SIGNER:** I have personally signed this petition; I am a qualified elector of the State of Montana and of the City of Laurel, Yellowstone County, Montana; and my residence and post-office address are correctly written after my name to the best of my knowledge and belief.
